DEATH OF REV. DR. EVERARD MEADE

Rector of Pohick Church Passes Away Early This Morning.

DUE TO INDIGESTION.

Deceased Had Charge of Home Church of Washington and George Mason Sixteen Years.

The parishioners of the Rev. Everard Meade, D. D., and his many friends in this city and vicinity, were shocked to hear of his sudden death at his home, Pohick rectory, at six o'clock this morning, following an attack of acute indigestion. He had been ill for the past three days, having called in his physician, Dr. Caton on Monday last. His condition had so greatly improved by Thursday evening, that his early recovery was expected.

Dr. Meade, who had been rector of historic Pohick Church, the home church of Washington and George Mason, for the past sixteen years, was born in Clarke county, Virginia, May 20th, 1843. He was the son of Mr. Phillip Meade, and grandson of the Rt. Rev. William Meade, D. D., the third Protestant Episcopal Bishop of Virginia, who was justly celebrated as the chief agent in upbuilding of the Episcopal Church in Virginia after the Revolution and the founder of the Theological Seminary, near this city.

Dr. Meade studied at Washington College, Lexington, Va., now known as Washington and Lee University, but left it with many others at the outbreak of the Civil War, to join the Confederate army. He served with honor during the entire war, and was wounded in two battles. At the end of the war he taught school in Florida, and then entered the Theological Seminary near this city, from which he graduated in 1872. His first change was at Knoxville, Tenn. His next parish was that of South Farnham in Essex county, Va., which he held for many years, residing at Tappahannock. He left this field to become the evangelist of the Episcopal diocese of Virginia. After serving in this capacity with faithfulness and zeal, he became rector of Pohick Church on October 27th, 1897, in succession to the Rev. H. F. Kloman. Combined with Pohick Church in this parish of Truro, is Olivet Church, about five miles from this city. During the years of his rectorship, he labored with much earnestness and not only attended to his parochial duties, but was also much interested in the improvement and development of the public schools. His chief work, however, was the restoration of old Pohick Church in which he was ably succeeded by the ladies of the Mount Vernon Association, and H. H. Dodge, superintendent of Mount Vernon, and a vestryman of Pohick Church. The beautiful restored interior of the church will always remain as an abiding monument of Dr. Meade's rectorship.

Dr. Meade leaves a widow, who was Miss Lucy Maxwell, of Florida, and eight children, four sons and four daughters. His sons are Messrs. Emett A., William, Phillip Nelson, and Everard Meade, Jr. His daughters are Mrs. Lizzie Brokenbrough Sydnor, wife of the Rev. Charles W. Sydnor, of Roydton, Va., and Misses Fannie T., Julia M., and Loula G. Meade.

The funeral will be held at Old Pohick Church next Sunday afternoon at two o'clock, and the interment will be in the cemetery of that church. Dr. Meade was one of the best known clergymen of northern Virginia, and had numerous relatives and friends within and without the State. He was secretary of the Episcopal diocese of Virginia, for several years, and at the time of his death was Archdeacon of the Northern Neck. He had recently accompanied Bishop Gibson on a visitation through his Archdeaconry, and his last service was held last Sunday at St. George's Church, Farlee, near Ballston, where he preached and celebrated the Holy Communion.

NEWS OF THE DAY

The wall of Holloway prison, England, in which Mrs. Pankhurst was confined, was considerably damaged last night as a result of the explosion of two bombs which had been set off by suffragettes. The bombs exploded with great force and the wall of the prison was shattered for adistance of about fourteen feet. The prison building, twenty yards within the walls, were damaged. Many windows in houses of the neighborhood were smashed and the force of the explosion was felt within a radius of half a mile. The bombs were placed at the foot of the wall and fired successively from a garden at 12 Delmey avenue, which has been occupied for two years by a Mrs. Patey. The house was a rendezvous for suffragettes.

The New York Evening Sun, in a special dispatch from Albany today, quotes Governor Glynn as follows: "I shall not consult nor attack Charles F. Murphy, but if he or anybody else attempts to interfere with my administration I shall fight and fight in the open. I believe the state of New York is too big to be the tail to the national administration's kite or be annex of Tammany Hall. I admire President Wilson. I shall suport his national administration as loyally as I can, but I do not believe that the way to help the Democratic party in the state or the nation is to set up a bargain counter for public offices in the executive chamber at Albany."

John F. Conrad, aged 31, salesman for an Indianapolis, Ind., fish company, shot and fatally wounded Mrs. Catherine Conrad, 19, his bride of nine days yesterday. After the shooting Conrad wrote to his mother, who lives in Toledo, O., the story of the crime while waiting for the police. Conrad told the police he shot his wife because she had threatened to leave him. He blamed the girl's sister, Mrs. William E. Aiken, of this city. The sister said Catherine was going to leave Conrad because he had lied to her in little things, and she feared he would not be true to her. When arrested Conrad went to the bed where his wife lay and begged her forgiveness. "Go away," exclaimed the girl. "If I am to die, I never want to see you again. My love has turned to hate."

The Rt. Rev. Henry Douglas Robinson, Episcopal bishop of Nevada, died yesterday at St. Lukes Hospital, New York. Bishop Robinson was born in Lowell, Mass., in 1860.

During her trip from Southampton to New York nearly all the way through real winter weather, and heavy at that, the American liner St. Louis, was struck by a bolt of lightning. The damaging stroke came out of the sudden electrical storm, in which thunder rolled with terrifying effect upon the passengers, many of whom felt severe shocks when the bolt passed over the hull through a mast which it struck and shattered.

A special barber is the latest innovation in church life. St. George's Episcopal Church, New York, which the late J. P. Morgan endowed with a half million dollars, has installed a barber shop for the choir. The Rev. Karl Reiland, the rector,, in announcing the new feature, said: "'For the sake of uniformity in the appearance of our choir boys on Sundays, we have assigned a special barber to the boys on Saturday mornings and on Sundays before services."

Automatic derailment apparatus saved a Chicago bound express from a head-on crash into a runaway freight train yesterday near Joliet, Ill, on the Chicago, Rock Island and pacific Railway. Air brakes on the freight failed, and the train became a runaway. After it had passed the second stop signal, the derailment switch opened and the runaway was thrown into the ditch just in time to let the passenger train pass.

Otto C. Heinz, one of the great copper group, filed a voluntary petition in bankruptcy yesterday with the clerk of the United States District Court at New York. This is the aftermath of the Wall street panic of 1907. Mr. Heinz's secured debts amount to $500,000, and those unsecured to more than $2,000,000. One of the principal creditors is William Guggenheim, whose claim is for a sum in the neighborhood of $240,000.

CURRENCY BILL TO BE VOTED ON TODAY

Measure, It Is Stated, Will be Passed by a Substantial Majority.

END OF THE STRUGGLE

Some Republicans Will Vote For Bill as an Improvement on Present Banking System.

Washington, Dec. 19.—The long struggle over the currency bill in Congress is practically completed. When the Senate met this morning at 10 o'clock to resume econsideration of the measure, it was in the expectation that it would be passed in the course of the day.

It is assured the bill will pass by a substantial majority. Some of the Republican Senators, though not satisfied with the bill in some respects, will vote for it on the theory that it represents an improvement on the present national banking system.

The bill will then be hurried to conference of the two houses. The conference report will be speedily adopted, unless an unexpected hitch occurs. The President hopes to sign the bill not later than Monday.

Both Congress and the President are eager to get the bill through, and then take a long holiday vacation, which will last until about January 12th.

At the eleventh hour numerous changes have been made in the bill in the Senate. An important amendment which has been adopted permits the rediscount by the regional reserve banks of six months' paper. This is expected to be of benefit to interior banks.

Following their apparent determination to strike at the civil service at every opportunity, the Senate Democrats, in the face of strong protests from leading Republican senators, exempted all subordinate appointees of the Federal reserve board from the civil service.

Public ownership of the regional reserve associations was turned down by a vote of 40 to 35. The Senate Democratic caucus stands unalterably in favor of bank ownership, and in favor of leaving control of the regional banking associations to the banks.

TO FLASH BIRTH OF NEW YEAR.

Message Will be Sent Out From Arlington.

The Navy Department yesterday made arrangements through the powerful wireless station at Arlington, to flash the birth of the New Year around the world.

Promptly at 11:55 o'clock on the night of December 31 the wireless on Arlington Hill will begin to click off the seconds. The wave's length to be used is of 2,500 metres. All vessels equipped with wireless as well as wireless stations on land will "hold open" for the signal.

The last few seconds before 12 o'clock the wireless station will remain quiet and the instant that midnight arrives and January 1 begins the operator will notify every one within sound that another year has been born. It is expected that vessels hearing the Arlington signal will relay the message from station to station until the radio flash circles the globe.

SHOWS DEFECTS OF LAW.

Secretary Brenaman, of State Democratic Committee, Outlines Changes.

Richmond, Va., Dec. 19.—Amendments to the State primary law, which will make it more nearly conform to the general election law, and provide more adequate machinery for securing and compiling the returns, are strongly urged by J. N. Brenaman, secretary of the State Democratic committee. Mr. Brenaman says progress made by a committee named at the last meeting of the State Democratic committee to draft amendments to the primary law, but that from his own observation of the actual workings of one State primary since the act of 1912 took effect, he was convinced that there should be material amendments.

"We are committed to a primary man," said Mr. Brenaman, "and there is no reason why we should not have an effective and workable plan. My experience in the recent state primary convinces me that there should be a central head in each city and county to whom the precinct judges of election should report, instead of requiring them to send the precinct returns direct to the chairman of the state Democratic committee. There has been no complaint of delay in receiving the returns in general elections, and I would suggest that the primary laws be made to conform as nearly as possible to the general election laws."

Young Man Attempts Suicide.

Petersburg, Va., Dec. 19.—Luther Harris, a young white man, originally from North Carolina, but who had resided in this city for some time, swallowed a uantity of carbolic acid Wednesday in an attempt to end his life. He was found on Washington street and taken to the police station, where prompt medical attention, rendered by Dr. W. T. Hoy, probably saved his life. The young man's mouth, throat are badly burned, but otherwise he is all right. A small bottle, with the label scratched, partially filled with the acid, was found in his pocket. Harris is a member of the Petersburg Grays. He states that failure at practically everything he has undertaken, moved him to take his life.

Governor of Colorado Not Alarmed at Threats of Recall Petition.

Denver, Col., Dec. 19.—Governor E. M. Ammons has refused to dismiss Adjutant-General John Chase and other military officers from service, order release of military prisoners, and abolish commission in the zone where coal miners are on strike at the demands of a committee from the Allied Trades Unions convention. He characterized their demands as ridiculous.

DIG METEORITE FROM EARTH.

Two Men Find Star Bolt That Shattered Tree.

Pottsville, Pa., Dec. 19—A meteorite, which flamed across the sky a week ago, was yesterday discovered on Broad Mountain by Thomas and William J. Shore, of New Castle.

Falling at tremendous speed, the meteor, the size of a man's head, struck a tree and shattered it as though struck by lightning, then imbedded itself in the earth for a considerable distance. It is of submetallic luster, and is composed of an unknown mineral substance.

DROWNS TO ESCAPE FLAMES.

Workman With Clothing Ablaze Dives Into River.

Philadelphia, Dec 19.—In an attempt to save himself from being burned to death by flames which had enveloped his clothing, Frank Kellar, 18 years old, jumped into the Delaware River at Cramps' Shipyard yesterday and was dorwned. Physicians who examined Kellar's body said that he had been burned so badly that he probably would have died from his burns had he not met death in the river.

COMMISSIONER IS AFTER JAILBIRDS

Counties of The State Announce They Will Not Surrender Camps.

THEY WANT MORE MEN

Legislation Urged That Will Give Commonwealth Benefit of Idle Prisoners—Averse to Chain Gangs.

Richmond, Va., Dec. 19.—Not one of the twenty-eight counties which now has a state convict road building camp will give it up. State Highway Commissioner Coleman made this statement to the Senate Finance Committee yesterday, adding that he has applications pending for several more camps than he can get men to fill. He urged legislation that would put to work all idle men in jails for as long as sixty days. The present law was intended to accomplish that, but seems not to be meeting its purpose.

"We need a new law to get the jailbirds," Mr. Coleman told the committee. "The sergeants and sheriffs are supposed to certify a list of the men they have in jail available for road work, but somehow or other we can't get the men out. There are fully ninety able-bodied men lying idle in Richmond jail right now, men who might as well be in one of the road gangs. I don't know about other jails, but we ought to have the work of every able-bodied man in jail for sixty days or longer.

That jailors were unwilling to give up the per diem they receive from the State for the custody of jail prisoners, was the only solution members of the committee could give for the failure of the law to operate. Several Senators said within their knowledge numbers of men were idle in jail at the expense of the State. The present law makes transfers to the roads discretionary with the judges in many cases, and apparently many judges are not in sympathy with the state's plan of road work.

He reiterated that the road work of the State demanded the service of every available convict or man in jail for sixty days or longer. In a less time it would hardly pay to harden up the average trifling negro sent to jail for minor offenses, and unused to work of any kind. Mr. Coleman reported that 688 miles of improved roads had been built during the past year, either by convicts or State aid. His office also had the supervision of a large amount of road building financed by county bond issues.

During the year 52 bridges of varying lengths were erected, at a cost of $112,000. For the coming year he asked for $200,000 for road building, and 115,000 for support of convict camps.

TESTIFY TO ILLEGAL WORK.

Trehy Frequently Ordered Out of Poll Lines—Judge Marked Ballots.

Norfolk, Dec. 19.—Testimony to show illegal marking of ballots by election officials voting persons not registered, or who had not paid poll taxes, and the return of votes which were not cast, featured the third day of the trial of the Norfolk election contest before Judge Chichester in the Corporation Court.

Numerous witnesse told the court that one of the judges in each of the Fifth and Sixth precincts spent practically all their time outside the ballot box room, talking to voters, and folowing them into the marking booth. One witness swore that James V. Trehy, the head of the "organization," whose re-election, as clerk of the courts, is contested, was frequently ordered out of the poll lines by the police.

It was brought in the testimony that one of the persons whose voters were marked by an election judge was acording to the eveidence, Rev. Father E. J. Walsh, assistant pastor of St. Mary's Catholic church.

DROP SHOWER OF BOMBS.

Spaniards Rout Moorish Tribesmen Yesterday.

Madrid, Dec. 19.—A large force of Moorish tribesmen was routed with heavy loss yesterday by the Spanish troops at Muley Abselam, Spanish Morocco.

Spanish military avistors threw the Moors into disorder with shower of bombs.

The Spaniards attacked the Moors with a brigade of sharpshooters, a battalion of infantry, four batteries of artillery, and a large body of native auxiliaries.

When the order for the general advance of the Spanish column was given, the advance guard discovered several thousand Moorish mountaineers concealed in irregularities of the ground.

A flotilla of military aviators was sent up to reconnoiter. By means of flag signals the aviators guided the column of Spanish troops.

A heavy artillery fire was opened by the Spaniards without effect. The aviators then ascended to an altitude out of range of rifle fire and flew directly over the places where the Moors were in the greatest numbers. Then came what the dispatch to the Spanish war office describes as a "veritable rain of bombs, tossed by hand by the airmen into the midst of the Moors."

After this bombardment the Spanish infantry charged with the bayonet and dislodged the Moors, causing them to flee in great disorder, leaving many dead and wounded on the field.

The Spanish troops also suffered heavy loss, as the rifle fire of the tribesmen was very accurate.

ROLLING STOCK CASE APPEALED

Attorney Hill Serves Notice on State Corporation Commission.

UP TO HIGHER COURT.

Present Bill Said to Reduce Amount Railroads Pay, as Rates Fluctuate Materially.

Richmond, Va., Dec. 19.—Formal notice was served on the State Corporation Commission yesterday by Hill Carter that the decision in the rolling stock case would be appealed. The matter will be laid before the Supreme Court of Appeals, with an application for a writ of error as soon as the record in the case can be prepared.

The Commission recently handed down a decision written by Judge Prentis, holding that the act of 1912, providing for the distribution to the counties and school districts through which the railway lines run, of the tax heretofore collected at the home office, was unconstitutional. At the time doubt was expressed whether an appeal would be taken or whether an application would be made to the General Assembly for the passage of a new act, meeting the constitutional objections raised.

The act of 1912 directed the Corporation Commission to apportion to the counties three-fourths of the rolling stock tax,, leaving one-fourth to the cities. The cities of Petersburg and Roanoke took the initiative in testing the constitutionality of the new law. After the conference of the Commonwealth's attorneys of a large number of counties affected by the bill, Mr. Carter and other attorneys were employed to defend the interests of the counties.

Aside from the legal phases of the situation, the bill as adopted put on the Corporation Commission a most intricate piece of calculation, as nearly every county and school district in the state has a different rate of taxation. Incidentally, the bill, if it is sustained, will result in a considerable decrease in the total of rolling stock taxes paid by the railroads, not contemplated by the General Assembly when the act was passed. Heretofore the tax has been paid in the city in which the principal office in this state was located—for instance, certain railroads paid in Richmond, at the city tax rate of $1.40 and the State rate of 25 cents. In many of the counties through which these railroads run, the rate of taxation is less than half of the city rate. The proportion to which each county and school district is entitled, on a mileage basis, coupled with the varying rates, has made a mathematical problem which has taken the statisticians of the Commission some weeks to work out.

It has been suggested that if a new measure is adopted, all of this can be avoided by leaving the rolling stock tax at a flat general rate to be provided in the bill, and apportionment of the total received among counties on a mileage or other basis to be determined by the General Assembly.

ALEX. HUNTER'S NEW BOOK.

We have received a copy of "The Women of the Debatable Land," by Alexander Hunter, author of "The Huntsman of the South," "Johnny Reb," and "Billy Yank." The last work from Mr. Hunter's pen is entertaining to all classes of readers. It is a true history of the adventures, heroism, cunning, wit, suffering and fortitude of the women of Mosby's Confederacy during the late war between the States. The book is beautifully illustrated by line cuts and half-tones, which adds much to its attractiveness. It is truly said that the author in this book has done for the South what Walter Scott did to immortalize the women of the Debatable Land of Scotland. To his own knowledge, as one of the Black Horse Cavalry who helped to make the section of which he treats famous, the author has added years of research and labor; and has written a true account of the life of the women who were between the lines of the hostile armies of the Blue and Gray. While the book reads like the legends of old, at the same time it shows the stamp of historic truth.

LESSON FOR WITNESSES

Justice Caton, Unable to Secure Evidence, Fines Accused and Spectator in Assault Case

During the early eighties, when the late J. T. Beckham was Mayor of this city an assault case was brought before him. The complainant in the case bore evidence of brutal treatment, but the man charged with making the attack denied the allegation and several men who were present at the time the assault was committed testified that they did not witness any attack. It was evident that the witnesses were friends of the accused and had determined to state nothing that would be against his interests. The late Mayor finally became impatient and addressed the witnesses, "Then you know nothing? Well. I'll fine you five dollars each for being "know-nothings."

A few nights ago a negro named George Twyman was assaulted in a saloon in the southeastern section of the city. He swore out a warrant against a negro named Logan Smith, charging him with being the assailant. Smith was brought before the Police Court yesterday morning, and was confronted with Twyman, the right side of whose face was badly bruised and swollen. Twyman stated that Smith had made an unprovoked assault upon him. Smith denied the charge and intimated that Twyman must have fallen and injured himself. Two negroes who appeared as witnesses alleged that they did not see the assault, although they were in the saloon at the time.

It was decided to postpone the case until this morning in order to have the bartender at the hearing. The latter was on hand this morning, but he said he did not see the assault.

Unable to secure any evidence from the bartender or Herbert Green and William Saunders, the two negroes who were present when Twyman was assaulted, Justice Caton said the man had been brutally treated and the court wanted to know who committed the act. He thereupon imposed fines of $5 each upon Smith and the two negro witnesses.

POLICE COURT.

(Justice H. B. Caton, presiding.)

The following cases were disposed of this morning:

Logan Smith, Herbert Green and William Saunders, all colored, charged with assaulting George Twyman, colored, were fined $5 each.

Peter Mockabee, charged with non-support of his wife and drunken and disorderly conduct, was dismissed.

Daniel Ross, colored, charged with throwing stones in the street, was fined $5.

MAYOR FISHER'S INSTRUCTIONS

Mayor Fisher in a conversation with a representative of the Gazette said the order to prohibit the discharge of pistols, cannons, guns and like explosives, such as large torpedoes and fire crackers, etc., was not intended to place any drastic construction on laws regulating the happy Christmas seasons. Certainly no objection could be urged against the children blowing small horns or ringing small bells for their own pleasure, and at no great annoyance to others. The police force were expected to exercise common sense, ordinary discretion and the violators of State and Municipal laws could be arrested and tried in the police court.

SPEAKER REBUKES MANN.

Stirred up by Republican Predictions of Disaster.

Washington, Dec. 19—Speaker Clark left his chair in the House yesterday to challenge the patriots more calamity howling" Republicans after Minority Leader Mann had made a speech picturing the country in the throes of business and industrial depression as result of Democratic tariff legislation.

As the "greatest calamity howlers in America" the Speaker presented Senator Root, of New York; former Speaker Cannon, Chairman Hilles, of the Republican National Committee; former Governor Hadley, of Missouri, and Representative Mann.

Vigorously defending the new tariff law, Mr. Clark declared that if there had been any holdup in business it was simply because prudence was being exercised. He said the wish was the father of the thought with the Republican leaders, and he suggested that it was strange that no one else had seen signs of falling in prices.

"These men," continued Speaker Clark, "propose to get into the newspapers every day, day after day, that the country is going to the dogs and business is going to the duce and people who never thought of a panic will begin to study about it. By all thinking men this will be considered a monstrous and unpardonable performance.

Representative Mann had painted a gloomy picture of the country under the Democratic tariff and the threat of political control of banking and currency.

Speaker Clark said there were two persons whom he had never talked to but always questioned—James J. Hill, the railroad builder, and Dr. Jno. T. N. Johnson, of Kansas City, "a Baptist preacher who had sense enough to make three or four million dollars."

He said Hill told him that he did not think there was going to be any panic in this country. Dr. Johnson told him that the currency bill would prevent all the money from drifting in to New York and break up gambling on New York Stock Exchange as far as human ingenuity could control it.

The Speaker added that next Monday or Tuesday the House would pass the currency bill.

"Unless there is some contrary fellows there," he remarked," we may pass it Saturday night, and after it becomes a law the country will blossom like the rose."

MURDERERS STILL AT LARGE.

Dead Body of Frank Flynn Found in His Home.

Ridgeway, Va., Dec. 19.—The murder of Frank Flynn, of King's Mill, whose dead body was discovered lying in his home last week, is as much of a mystery as it was when the crime was discovered, and his slayers are still at large No rewards have yet been offered for their apprehension, in spite of rumors to the contrary, no extraordinary meeting of the Town Council has been called so far, and no cash reward can be offered by the city until it is authorized by that body.

The absence of clews and the complications caused by the crime being committed upon the border line of Virginia and North Carolina prevents rapid action. It is generally thought, however, that the crime was planned in Virginia, committed in North Carolina, and that the Patrick hills are the refuge sought by the perpetrators of the crime. The names of the two men who were seen here on the day preceding the crime are believed to have been discovered by the county police, who for very obvious reasons are keeping them to themselves. While the means of the local authorities and the personnel is somewhat restricted, the matter will not be dropped, and every possible effort will be made to arrest the men who committed this act of lawless savagery.

Farmer Shoots Two Neighbors.

Bristol, Va., Dec. 19.—Following complaints of trespass in connection with the hauling of logs across his lands, Issac Bacon, a Washington county farmer, shot and severely wounded yesterday two of his neighbors, Robert Keefauver and James Chinnaweth. Sheriff Williams went to the scene accompanied by physicians from Jonesboro. The condition of the wounded men is said to be critical.

UNITED HATTERS LOSE.

Judgment for $272,000 Awarded D. E. Loewe & Company.

New York, Dec. 19.—The United States Court of Appeals decided yesterday the famous Danbury hatters case in favor of D. E. Loewe & Co., the plaintiff, and against the United Hatters of North America. The court affirmed a judgment in favor of Mr. Loewe and against the hatters' organization for $252,130

With interest and costs the judgment now amounts to $272,000. At the first trial, held in 1909, the plaintiffs obtained a judgment of $232,240.

Sustaining the second judgment, Judge Coxe declared that it was no longer debatable "that the Anti-Trust act is applicable to such combinations as are alleged in the complaint" and that the act made no distinctions between classes or combinations or individuals.

The court held that it had been clearly established that the plaintiffs were engaged in an inter-State business and that the defendants are members of a trades union and affiliated with the American Federation of Labor, "one of the objects of the latter organization being to assist its members in any 'justifiable boycott' and with financial help in the event of a strike or lockout."

It was shown at that trial that in March, 1901, the United Hatters had resolved to unionize the factory of the plaintiffs and that Mr Loewe had been informed by the union officials that the hatters "would resort to the usual methods" in case their plans should meet with opposition On July 5, 1902, the plaintiff's employes were directed to go on strike, and it is claimed that almost immediately a boycott was established. The plaintiffs assert that this measure "converted a profit of $27,000 in 1901 into losses ranging from $17,000 in 1902 to $3,000 in 1904."

Judge Coxe said in conclusion of his finding:

"No one disputes the proposition that labor unions are lawful. All must admit that they are not only lawful but highly beneficial when legally and fairly conducted, but, like all other combinations, irrespective of their objects and purposes, they must obey the law."

DON'T LET YOUR HAIR SPOIL YOUR GOOD LOOKS.

Take the right care of your hair, and instead of spoiling your good looks, it will improve them. You can't beautify your hair wth barettes, ribbons and such things. Knick-knacks make homely hair look even worse, because the contrast shows off its ugliness to greater effect.

If you want beautiful hair—soft, silky, lustrous and glossy—use Harmony Hair Beautifier, a dainty liquid hair dressing. Use it also if you want your hair to go into place—in wavy, graceful fashion—more easily, and stay where you put it It overcomes the unpleasant, oily odor with a delightful rose fragrance. Very easy to apply—simply sprinkle a little on your hair each time before brushing it. Contains no oil; will not change color of hair, nor darken gray hair.

To keep hair and scalp dandruff-free and clean, use Harmony Shampoo. This pure liquid shampoo gives an instantaneous rich lather that immediately penetrates to every part of hair and scalp, insuring a quick, thorough cleansing. Washed off just as quickly, the entire operation takes only a few moments. Contains nothing that can harm the hair;; leaves no harshness or stickness—just a sweet cleanliness.

Both preparations come in odd-shaped, very ornamental bottles, with sprinkler tops. Harmony Hair Beautifier, $1.00. Harmony Shampoo, 50c. Both guaranteed to satisfy you in every way, or your money back. Sold in this community only at our store—The Rexall Store—one of the more than 7,000 leading drug stores of the United States, Canada and Great Britain, which own the big Harmony laboratories in Boston, where the many celebrated Harmony Perfumes and Toilet Preparations are made. —Central Drug Co., Algona, Iowa. EVANGELISTS NOW AND THEN.

An article in a magazine a few years ago gave figures in connection with receipts at revival meetings in some of the larger cities. It was shown that evangelists received in some cases as much as $8,000 for several weeks' services, and that it was one of the most lucrative employments of the present day.

Billy Sunday, baseball-evangelist, closed his six week's campaign in Johnstown, Pa., a few nights ago with a record of 12,000 professed conversions, and an estimated collection for him of $18,000.

People who are acquainted with the lives of certain preachers of the gospel during the early history of this country will see a great contrast between their reception and that of the modern so-called evangelist. The workman was supposed to be worthy of his hire in continental days, but he was often paid for his services in farm products or whatever his hearers might select for him. The contrast is still greater when we read the words of the great apostle to the Gentiles.

Even unto this present hour we both hunger and thirst, and are naked, and are buffeted, and have no certain dwelling place; and labor, working (at tent-making) with our own hands; being reviled, we bless; being persecuted, we suffer it; being defamed, we intreat; we are made as the filth of the world, and are offscouring of all things unto this day.—1 Cor., IV., 11-13.

CHRISTMAS APPEAL FOR CHILDREN'S HOME.

As Christmas draws near, with its blessings and joys, the managers of the Children's Home would like to remind the citizens of Alexandria, that Christmas is looked forward to by these little ones just as much as other children in better walks of life. Donations of all descriptions will be gratefully accepted, as there are about twenty children at the present time being taken care of at the home. Toys, clothing, goodies, groceries, or anything that the Santa Claus spirit might suggest to one to send, will be most acceptable—so everyone may have the privilege of his share in making joyful these little folks.

"For Santa Claus is not alone,
The patron saint of rich, I'm sure
But he is loved as dearly by
The little children of the poor."

FIGHT AGAINST WASHINGTON.

Editor Alexandria Gazette:

Nothing could be more inopportune than the effort of some members of Congress to alter the status of the District of Columbia and the United States Government.

Recent improvements in the District have commended themselves to every one because of the ability and judgment shown and the fact that Washington now ranks as one of the most beautiful capital cities in the world is a cause of pride to all. The administration of the affairs of the District have been singularly free from everything that deserves criticism and the freedom from political biss and partisan spirit has been a lesson to all who visit the Capitol.

In a government like ours it is very difficult for one to outgrow state boundaries or overcome geographical lines and to feel an interest in the general government similar to that felt by countries who have only federal government. But every good American should conquoer this tendency so far as the National Capitol is concerned and should say "our Capitol."

Can we not emulate the attitude of the British, the French, the Italian toward their capitols? The Britisher, it does not matter where he lives feels a personal pride and interest in London. It is always "up to London" it matters not from where he comes. They are only two other places to say "up" to—Oxford and Cambridge.

To the Frenchman no sacrifice is too great to make for the beauty and safety of his beloved Paris and to the Italian to be called a Roman is the highest praise that can be bestowed.

Let us have some such spirit as this towards our beautiful Capital, typifying as it does much of that which is best in our civic life.

CONCERT LAST NIGHT.

Large Crowd Attended Entertainment at Opera House.

The concert given last evening at the Opera House under the auspices of the Cameron Club for the purpose of placing an assistant medical inspector in the public schools, was well attended, as every seat was taken. The programme was enthusiastically received, especially the beautifully drilled little maids, ranging from four years old to "sweet sixteen." The ladies conducting this chorus, fifty strong, deserve much praise, for a prettier Christmas picture could never be found than was presented last evening with the sweet faces uplifted and the childish arms extended as they sang of the wonderful star of old.

"Star of Beauty, Star of Light,
Star of wondrous beauty bright."

The youths, too, had their share of applause as the Boy Scouts made camp in a cerditably short time and at the close of their exhibition, grouped around their campfire sang, "Tenting Tonight." The Lone Star Camp No. 1, American Indian Guard Band, furnished a rousing overture.

Mrs. Blanch Muir Dalgleish, of Washington, in most pleasing manner, rendered a group of attractive ballads and songs, in the numbers that were to have been filled by the popular quartette, Mrs. Downham, Mrs. O'Brien, Mr Ogden, and Mr. Evans. On account of the illness of one of the members, the quartette did not appear. The mandolin quartette, composed of Messrs. M. K. Hammill, Leonard Chesser, Harry Padgett, and Herman Chesser, appeared in two numbers and added much pleasure to the evening's entertainment.

Miss Margaret Finks sang in sweet voice a solo and responded to an encore.

The Vocat duet, "Excelsior," by Balfe, was artistically rendered by Miss Rotchford and Mr Solomon.

The Cameron Club extends thanks to the entertainers, and the entertained and is very grateful for the support given for such a worthy cause.

MURDER BY CONTRACT.

Perpetrators Then Attended Funeral of Slain Fruit Dealer, Authorities Assert.

Lancaster, Pa., Dec. 19.—The arrest of Auguste Vitale, a wealthy fruit dealer, as he stepped from the gang plank of a fruit steamer at Kingston, Jamaica, yesterday, has unfolded a remarkable tale of murder centering about the killing of Anthony Carlotta, a rival merchant here, October 31.

The authorities assert they had evidence that $200 was paid for the removal of Carlotta and that the murder was sublet to two other men, who received $25 each for the deed. The finding of the revolver of Tony Messina, who is in jail, charged with being the originally hired assassin, led to his arrest, the arrest of the two others accused of actually having committed the deed, and the apprehension of Vitale charged with having brought about the crime to remove a rival.

The three accused men are said to have attended the funeral of their victim, as mourners, to ward off suspicion.

Vitale left this city a few days after the murder, with his brother Tony, and brother-in-law Sam Russo, and the latter two are still at liberty. Vitale was the leading Italian fruit commission merchant in the city and is a man of means.

HAWK ATTACKS HUNTER.

Dives at Man And Pierces His Hand With Talons.

Fredericksburg, Va., Dec. 19.—J. S. Spicer went hunting turkeys in Spotsylvania county Wednesday and was attacked by a hawk. Hiding in a brush pile, Mr. Spicer commenced calling turkeys. Instead a large hawk alighted on the limb nearby and, apparently taking the hunter for a rabbit, it made a dive at Mr. Spicer. Before Mr. Spicer could fire the hawk was on him. He threw up his left hand to ward it from his face, but the hawk was so large and struck with such force that his talons pierced his hand. After a battle Mr. Spicer captured the hawk, and brought it to Fredericksburg alive.

FOR NERVOUSNESS.

Nervousness comes from nerve exhaustion, an unhealthy condition of the nerves of some part of the body, usually caused by lack of nerve nourishment. If you are nervous, you need a nerve food—something to tone and strengthen your nerves. Rexall Olive Oil Emulsion is the ideal nerve-food tonic, a real medicine for the nerves, a real builder of strength and health for the blood and every part of the system. It is not a stimulant. It contains no alcohol or habit-forming drugs, as many so-called "tonics" do that stimulate your heart and muscles for a short time after taking, only to leave you weaker and worse off than before. It is a real medicine, containing ingredients necessary to overcome your weakness and nervousness, and give new strength and life and health to every part. It may not make you feel better the first day, because the nerve and tissue foods it contains need time to get into the blood before the good work of upbuilding can begin. But it will make you feel better and less nervous before you have taken anywhere near as much of it as you have of other things that did you nothing but harm. If it does not—if it fails to satisfy you in every way, we want you to tell us so and get your money back.

You who are weak and run-down, and you who are apparenetly well now, but are liable to suffer from various cold weather ailments, use Rexall Olive Oil Emulsion to get and keep well and strong. For the tired-out, run-down, nervous, emaciated or debilitated—the convalescing—growing children—aged people—it is a sensible aid to renewed strength, better spirits, glowing health.

Rexall Olive Oil Emulsion—king of the celebrated Rexall Remedies—is for freedom from sickness of you and your family. Pleasant-tasting—unlike the cod liver oil preparations—you'll be as enthusiastic about it as we are when you have noted its strengthening, invigorating, building-up, diseases preventing effects. If it does not help you, your money will be given back to you without argument. Sold in this community only at our store—The Rexall Store—one of more than 7,000 leading drug stores in the United States, Canada and Great Britain. —Central Drug Co., Algona, Iowa. W. P. Taylor, 616 King street, Alexandria, Va. (No. 29.)

NEWS OF THE OLD DOMINION

CHARGED WITH RIFLING MAILS.

Girl Arrested for Stealing From Parcel Post Packages.

Roanoke, Va., Dec. 19.—Gladys G. Graham, about 18 years old, was arrested Tuesday at Mullens, W. Va., a station on the Virginian Railroad, by Inspectors Robertson, Newlon and Mosby, charged with rifling parcel post mail at the Mullens office, where she was employed as a clerk. She was arraigned before a United States Commissioner and released on bail to appear for trial at the Huntington Court in April.

The officers recovered from the office and the girl's room merchandise valued at between $250 and $400. The goods were brought to Roanoke Wednesday night, and Inspectors Mosby and Newlon yesterday were trying to cull from the collection such merchandise as they hope to deliver to owners in the Winding Gulf district of the Virginian coal fields.

CHARGED WITH THEFT.

Young Man Confesses He Took $5,000 Package.

Richmond, Va., Dec. 19.—C. D. Garner, 20 years old, of 3105 East Broad street, was arrested yesterday by a United States deputy marshal for the theft of a package containing $5,000 in cash from the Richmond office of the Southern Express Company. The shipment of money was made on Wednesday from a Richmond bank to a bank in Macon, Ga. Garner, when accused by the express officials of the theft, broke down and admitted his guit. All of the stolen money was recovered except $12. Garner, who was a transfer clerk in the local office of the company, is now in the Henrico jail in default fo $10,000 bail.

In his cell last night Garner appeared deeply repenetant, although he seemed far from realizing the gravity of the charge. It is expected that his confession and the production of the stolen money, together with the fact that the express company recovers practically the entire amount of the shipment, may result in the dismissal of the warrant. His friends made earnest efforts last night to secure the withdrawal of the criminal proceedings.

Conference on Debt Question.

Lynchburg, Va., Dec. 19.—Attorney-General Williams and William A. Anderson and Randolph Harrison, counsel for the Virginia Debt Commission, held a conference here yesterday and discussed the legal phases of the West Virginia debt controversy. Mr. Harrison said it would be improper at this time to make a statement as to the object of the conference further than that it is leading up to the final argument of the case, which has been set for April 13 before the Supreme Court of Washington.

WOMAN ATTEMPTS SUICIDE.

Fearing White Slavers She Plunges Into Elevator Shaft.

Richmond, Va., Dec. 19.—Imagining New York white slavers were after her, Reenie Shapiro, a pretty young woman immigrant en route from a province in Russia to Birmingham, Ala., became violently insane in the Main street Railway station Wednesday night and attempted to commit suicide by hurling herself down the elevator shaft. She succeeded in opening the doors to the shaft, and, plunging head foremost,and would undoubtedly have met instant death but for the fact that her right foot in some manner or other became caught between the doors and held fast.

From this perilous position she was rescued by persons in the station. She finally became so unmanageable that to was necessary to summon the police. Patrolmen Griffin and Tait took charge of her and lodged her in the police station nearby. Early yesterday she was removed to jail.

There several members of a local Jewish society called and volunteered to call for her temporarily, but she refused to accompany them, breaking away at the jail door and endeavoring to escape. She was pursued by Patrolman Griffin, who overtook her after an exciting chase of several blocks. In the tussel which followed she bit Griffin severely on the hand. She also tried to bite some of the jail officials before she was again locked up. She was placed in a padded cell and a special guard was stationed nearby to see that she did herself no harm.

As well as interpreters could ascertain, the woman was intercepted in New York by white slavers and detained there in a house for some time before relatives finally located her and secured her release. A slip of paper attached to her railroad ticket showed that she was enroute to the home of Meyer Stein, in Birmingham. She will be examined by a commission of lunacy tomorrow.

WILL NOT LIVE WITH WALKER.

Betty Ratcliffe Says She Has Not Changed Mind Since $25,000 Suit.

Richmond, Va., Dec. 19.—The result of the Walker-Ratcliffe $25,000 alienation suit has in no way weakened Mrs. Betty Ratcliffe Walker's determination not to live with Grant Walker. From her home in Highland Park yesterday Mrs. Walker emphatically denied the rumor that she ha made up her mind to go back to her husband.

Asked the direct question by a reporter she replied that it was news to her and that she had experienced no change of mind.

That Walker is still willing to take his bride back is the general impression prevailing among his friends today, though he declines to discuss the question. The day before the trial ended a reply to a query by a reporter as to whether or not he was willing to take Betty back, Walker hesitated for a while, and then said, "I'd rather you would not ask me that question."

On the witness stand he testified that he "loved the ground Betty walked on," and his friends declare that love has not been dimmed by the bride's actions since he led her to the altar.

It is probable that Mrs. Walker will remain in the home of her parents here until the case has been finally disposed of, which wil lprobably be some time the early part of January, when arguments for a new trial will be heard by Judge Crump.

CONFESSES ROBBING MAILS.

Placed Under Arrest Young Woman Sobs Out Story of Her Thefts.

Roanoke, Va., Dec. 19.—Gladys G. Graham, about eighteen years old, of a good family, handsome and popular, was arrested at Mullens, W. Va., a station on the Virginian Railway, about 21 miles west of Princeton, on Tuesday by Inspectors Robertson, Newlon and Mosby, charged with rifling parcel post mail at the Mullens office, where she was employed as a clerk. She was arraigned by a U. S. commissioner and released on bail to appear for trial at the Huntington court in April.

The officers recovered from the office and the girl's room at a hotel merchandise valued at between $250 and $400.

Miss Graham denied positively that she was a thief when first taken into custody, saying she had bought the articles found in her possession as Christmas presents for friends and relatives. Finally, however, she was brought to see the futility of evasion, and in a burst of tears admitted her guilt. After she quieted down she rendered material assistance to the inspectors in fixing ownership of the goods.
